NEWSLETTER CLASS -LKG-APRIL-MAY 2024

Dear Students and Parents,

Greetings!

Welcome Back! Reopening of School After Session Break - April-May 2024-25

I hope this letter finds you and your little ones in great spirits and health. It brings me immense pleasure to share the wonderful news of our school's reopening after the session break.

As we are delighted to embrace our beloved pre-primary & Primary students back to school, we want to assure you that we have taken every precaution to ensure a safe and nurturing environment for your child's return.

We understand that the return to school may bring about dubious expressions for both the children and parents. Rest assured, our compassionate teachers and staff are here to support your child's transition back to the school routine with warmth, encouragement, and understanding.

Our dedicated team has been hard at work implementing comprehensive health and safety measures to mitigate any risks and provide peace of mind to all of us. We are committed to providing a stimulating and enriching learning experience for your little ones, fostering their curiosity, creativity, and love for learning in a safe and supportive environment. As we eagerly anticipate the reopening of our school in the new session, we encourage you to stay connected with us through our communication channels for any updates or important information regarding the upcoming session.

Thank you for entrusting us with your child's education and well-being. We are deeply grateful for your continuous support and cooperation as we navigate these unprecedented times together.

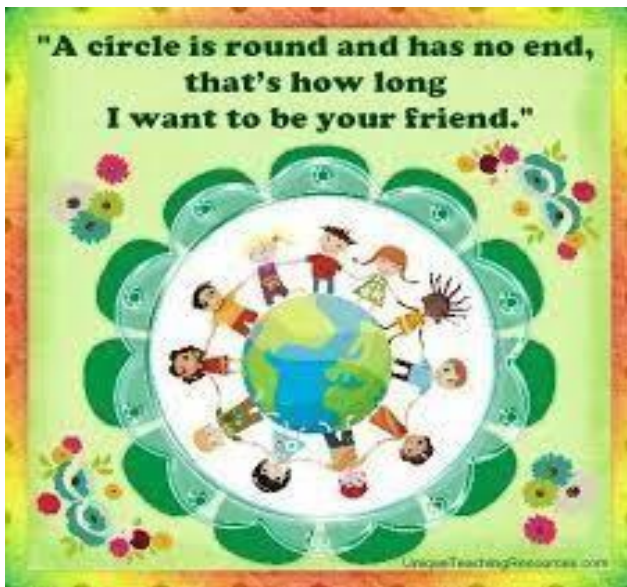

Wishing you and your child a joyful and fulfilling return to school!

Warmest regards,

Thank you!

First day at School

I wonder
if my drawing
will be as good as theirs.

I wonder
if they'll like me
or just be full of stares.

I wonder
if my teacher
will look like Mom or Gran.

I wonder
if my puppy
will wonder where I am.

TIPS FOR PACKING SCHOOL LUNCH

- **Plan your lunch in advance:** For example - make the dosa batter, chapati dough, filling for paratha, sandwich, cool it completely, and refrigerate. You can also chop some veggies, fruits and store them in the fridge.
- **Get your kids involved in lunchbox planning** – It is an inspiring way for them to learn and try about new foods.
- **Bento Box** -Using bento-style STAINLESS steel lunchboxes with compartments is good choice to pack a variety of food items separately.
- **Thermos:** You can pack hot soups and pasta in a thermos to keep the food warm and retain its consistency on a chilly or rainy day.
- **Water/ Juices /butter milk :** Filtered water, occasionally send fresh homemade juice and coconut water or buttermilk specially in summers.

□ **Balanced Meal:** Pack a well-balanced meal with fruits, vegetables, whole grains, unprocessed foods, carbs, protein, and dairy. Consider the below nutrient-dense foods.

1. **Fruits:** Always try to pack fresh, colorful, organic seasonal fruits for your child.
2. **Vegetables:** Try to include a variety of fresh, low-sodium frozen vegetables, including colored, dark green leafy greens.
3. **Whole Grains:** Choose whole grains, such as whole-wheat bread, quinoa, rice, whole-wheat pasta, and millets.
4. **Protein:** Choose paneer (cottage cheese), Greek yogurt, Tofu, lentils, beans, peas, unsalted nuts, and seeds.
5. **Dairy:** Try to include dairy products, such as milk, plain yogurt, and cheese.

□ **Switch things up:** Repeated lunches can be boring, so try to change the menu weekly by switching things up, be it in main lunch, snacks, veggies, or fruits. Also put, surprise delights including crackers, chips, homemade cakes, cookies, savory snacks, or sweets some days

□ **Prevent food from getting soggy:** prefer cooking food just before packing lunchbox. However, hot food, when packed in the steel lunch boxes, causes condensation and makes the food soggy. To avoid it, allow the food like paratha, grilled sandwich to cool completely before packing. Utilize leftovers – make sure to use any leftovers that will work as a cold lunch – pizza, pasta, soups, dips, etc.

Note-Always pack lunch in properly washed and dried box, water bottle should be cleaned daily with soap and warm water.

MEALPLAN-

Eat healthy, feel healthy & keep yourself healthy

Crunch& Sip is a set time in preprimary & primary wings for students to 'refuel' on vegetables, salad, and fruit and 'rehydrate' with water. Students who aren't hungry and are well hydrated perform better in the classroom, showing concentration and are less likely to be disrupted.
